My Dear Adityaji and Gnaji,

I was shocked to learn about the sad demise of our respected Diwakar Shastriji. I pray God to rest his great soul in eternal peace. May God give you and all the members of Banasthali Family, enough strength to bear this irreparable loss.

Shastriji was a visionary educationist. He dedicated his whole life to bring Banasthali at such a high University level. His tremendous contribution to women's education will be always remembered & noted in the history.

May you also continue his laudable work & further it more & more.

I was very closely associated with him for many years & will never forget his love for me.

My heartfelt condolences & sympathies to all of you.

With Best Regards

yours Sincerely,

Darshana Jhaveri.
